**To the congregation of St. John Lutheran church,** we would like to thank you for graciously opening your church to us to do our seasonal flu clinics & H1N1 flu clinics. The space works well for us & we are able to service a lot of people in a short time. Also thank you to Arlene Thomas & all of the volunteers who helped at our clinics. We couldn’t have done it without you! **Floyd County Public Health/Home Health Care**

**Regular Communion Assistants Needed!** The Board of Deacons is looking for two communion assistants to help out on a regular basis. We need one for each service at 8:00 a.m. & 10:15 a.m. If you would like to volunteer, you will automatically be scheduled to help with communion (twice a month) at the service you choose. You do not have to show up early for set-up, stay for clean-up or attend meetings. Just come to church at your normal time & help with communion when you are scheduled. Any confirmed member of the church can volunteer even if you have never been a deacon or helped before (we will provide training prior to serving if you request). Could this be your calling from God to get involved? Please contact Deacon Tami DenHartog at 257-3092 if you are interested.
