**“God’s Love in Action”**

**Pastor's  
Note...**

As part of the celebration of the 500<sup>th</sup> Anniversary of the Reformation in 2017, I had the great experience of traveling to see the Martin Luther Exhibit at the Minneapolis Institute of Art. It was amazing to see so many artifacts and works of art from the time that our church was just being born. I was particularly thrilled to see the pulpit where Martin Luther had preached his last sermon. Years ago, I stood in that very pulpit in Germany and now here it was in Minneapolis!

Another highlight for me was getting to see both an indulgence box and a common chest. Both of these boxes are very important symbols of the Reformation, though for different reasons. Indulgences were pieces of paper, issued by the pope, that people bought to ensure their loved ones would make it to heaven. When indulgences were purchased, money was inserted into the locked indulgence box to pay for it. The slogan was: "When a coin in the coffer rings, another soul from purgatory springs!" Luther detested the sale of indulgences and the indulgence box. In addition to the obvious theological issues, he deplored the socio-economic effects of indulgences. It was, essentially, a tax on the poor. People who could barely feed themselves and their families were buying indulgences instead of food.

So, Luther and other reformers brought out a different kind of box ... the common chest. The common chest, like the indulgence box, was a locked chest where money was deposited by many people. Funds came from donations, remaining assets in church foreclosures, and other sources. Instead of going to fund the Church, as indulgences did, this money was used to help people in need. Money from the common chest was used to feed the hungry, give no-interest loans to those in dire circumstances, and to help marginalized people in the community. It was the opposite of the indulgence box.

At a recent meeting, I was fortunate to hear a presentation by Ryan Cumming. He is the program director for ELCA World Hunger. Being fairly new to his position, he talked about recently attending a national meeting of U.S. organizations who are involved in feeding the hungry in our country. He felt like a small fish in a big pond rubbing shoulders with the movers and shakers of his field. So, he turned to the person sitting next to him, stuck out his hand and said, "Hi, I'm Ryan Cumming from ELCA World Hunger." The person's face lit up and they said, "Oh, you're ELCA World Hunger ... thank you! I'm from Second Harvest in California. You gave us a grant to expand our program!" A few minutes later he introduced himself to someone else who said, "You're ELCA World Hunger? Thank you! I'm from Meals on Wheels in Dallas. You gave us a grant to buy another truck!"

Ryan said it went on and on like this for the whole meeting. It seemed like nearly every person he met said, "You're ELCA World Hunger? Thank you!" He was truly humbled and amazed to see how far-reaching our concern for the hungry is and how much we're woven into the fabric of our nation, caring for the poor and hungry. Ryan Cumming isn't ELCA World Hunger, we're all ELCA World Hunger.

You can make a gift at any time to ELCA World Hunger through St. John by marking it for "ELCA World Hunger" or going directly to their website at [community.elca.org/givenow](http://community.elca.org/givenow). I'm proud to be part of a church that, over 500 years later, continues to lift up the importance of the common chest and I'm so grateful for all who contribute to it!

Peace,  
Pastor Russ

Winter is in full swing and while the days ARE getting longer – the weather sometimes doesn't cooperate with us. If school is cancelled or dismissed early on a Wednesday (due to weather) we will NOT hold the After-School Program or Confirmation classes or have ANY of our Wednesday night activities.

Even though some of us may not enjoy the cold and wish we could skip winter – we can take some comfort in the fact that we know it will warm up again eventually. And we can take comfort in the consistency of the changing of the seasons every year.

*“As long as the earth endures, seedtime and harvest, cold and heat, summer and winter, day and night, shall not cease.”* Genesis 8:22

Blessings, Laurie

**“God’s  
Love  
in  
Action”**

Love is definitely in the air at St. John Christian Preschool, but perhaps not in the way that you traditionally think of during this month of greeting cards and chocolate. We feel honored to be able to share God’s love with each of our 45 little ones each and every day. And you know what the really AWESOME thing is? It doesn’t take very long before our little ones start sharing God’s love right back!

January was very full of new and exciting things to explore. We learned all about the letters A, O, Q, and G; how to write them on our own, the sounds each letter makes, and how to sign each letter in American Sign Language. Our younger friends are working on Shape Recognition by making Shape Buddies and our older friends are working on Character Traits. In our 4-yr-old classes, we started working on our Kindergarten Readiness Skills: how to quietly walk in a line down the hall, sitting on the listening rug quietly and raising our hand if we have something to share, and writing our names all by ourselves! The list goes on and on! In all classes, we worked on our self-help skills by working on putting on our coats, zipping them up, and putting on our backpacks! We’re all doing quite well!

We are continued to be blessed with a preschool board of six, hard working, dedicated women. At our December meeting we said goodbye to Rachel Ginbey and Megan Williams. They served the preschool board for 3 years and will be missed. But we did add two NEW members to our board in January! We welcomed Lezlie Weber and Brittany King. We reallocated positions and are looking forward to another great year with this board. The support they each provide is invaluable to the success of our program!

SJCP would like to announce that we are holding our annual Book Fair here at the preschool, as well. The Book Fair will be Monday, February 10 – Friday, February 14 from 8:00am – 4:00pm. This event is open to the community and the proceeds go straight to the preschool.

Can you believe it is that time already?! We are gearing up for our 2020-21 Fall Registration and we would like to thank you for choosing SJCP for your little one’s earliest educational experience. Current families (those with children currently enrolled in the 2019-20 school year) will begin registration on Tuesday, February 18. New families will begin registration on Monday, February 24. Registration will run from 7:30am-4:00pm. Children who will be 3 on or before September 15 and all children 4 and 5 years old are welcome. Scholarships are available. A minimum registration fee of \$25 is due at time of registration. Please call 228-7274 or email us at [wfranke@stjohncharlescivcity.com](mailto:wfranke@stjohncharlescivcity.com) for more information.

Last, but certainly not least, we are blessed with the many forms of support that the St. John congregation provides us. From financial gifts to prayers to the smiles that we receive when we pass a member of the congregation in the hall, we feel loved. In a world full of many difficulties, thank you for sharing your support with our youngest friends and making them feel special, needed and important.

With HIS love,  
Whittney Franke
