Russ Leeper:

A Blessed Summer

Several years ago, in another community, my wife and I were invited to an awards banquet for recognizing local individuals and businesses who had gone above and beyond the norm in helping others. That year the awards were given out to several businesses in the area for their efforts to help those with autism.

Before the awards were given out a keynote speaker educated us on the often-hidden suffering of parents who have kids with autism and the astronomical costs associated with taking care of them. We learned that It's not uncommon for parents to use up all of their retirement savings to get services for their children or to end up living in a friend or relative's basement because it's the only way they can afford to take care of their child. It was truly heart-wrenching and brought tears to our eyes.

And then they started to give out the awards and tears came again, but this time because it was so heart-warming: a fast-food restaurant in the area that not only employed people with autism, but the managers drove to their homes and brought them to work, a swimming school that set aside valuable class time to work exclusively with people who have autism, a movie theater that offered special showings of movies, so that people with autism and their families could go to a movie without having to endure the stares of other movie-goers or worry about being disruptive. The list went on and on. And over and over again, people who accepted their awards said that they had been blessed or received far more in return than they had given. They said it again and again: "Even though it's difficult and inconvenient sometimes, helping others feels really good!"

I wish that feeling for you, too. If you want to feel blessed, then become a blessing! As you arrange your plans for summer fun and recharging, I hope you'll include some time in them for helping others. It feels great to know that God has made an impact on someone else through you and you'll probably make some new friends in the process. Have a blessed summer!

Peace,

Pastor Russ

Our Generosity in May 2023

Your offerings to St. John were shared beyond our walls in May in the Following ways:

8% of our regular April offering of \$2,637.45 went to support the mission of the larger church.

2% of our total offering goes to support our community needs.

The May recipient was Project Rise. A check in the amount of \$666.73 was used for this mission outreach.

The 8% Thank Offering which is given quarterly will be decided at the end of the quarter.

• Coats for Kids

As the weather warms up and the kids are done wearing their winter items, please consider donating any items in GOOD condition to the Coats for Kids ministry.

Please wash and drop them off to the Church.

Also, we are very low in funds to keep this ministry going. We have under \$30.00 in our account and are basically out of everything in leftover items. We would be very grateful for any donations. Thank you!

***Please note we are volunteers and don't see the donations until setup the day before so no time to wash or sew on them. Thank you!

St. John Christian Preschool...

It's hard to be unhappy when God blesses us with a beautiful springtime world! While it was sad to say good-bye to our little ones who are moving on to Kindergarten, it is a blessing to be able to continue touching the lives of new friends who will enter our preschool in the fall.

We are excited to welcome many of our preschool friends back for classes next year and are also anxious to meet many new friends. We do have some openings in our program, but spots are filling up! Our **morning** class is open to any child who will be at least 3 on or before September 15, 2023. So please let us know if you or someone you know is looking for a preschool for his/her 3-year-old! Our **afternoon** classes (there is a FREE 4-day option and small fee 5-day option) are open to any child who will be at least 4 on or before September 15, 2023. Please call the preschool (641-228-7274) if you would like more information.

We would like to remind everyone that we sell Kwik Star gift cards. Please stop in the church office during business hours (9am-1pm) or stop down to the preschool if you are interested in ordering a gift card. We do not have many on-hand, so if we are out when you come to order, we'll just put you down for the next order. We will also try to have an in-person order day after worship once a month. Please leave your name and phone number so we can let you know when the cards are in! We would prefer payment at the time the order is placed, but payment when they come is fine, too. The preschool receives 5% of the gift card's face value.

Thank you for the many blessings that you bestow upon our preschool program. Without your prayers and support we would not be able to do what we do. We love sharing God's love with our friends and we thank you for helping us share that important message!

In HIS Name,

Whittney Franke
