## Pastor Russ Leeper :

This month our 150<sup>th</sup> Anniversary celebration comes to its peak with a special service, craft fair, and celebration dinner on Sunday, October 30<sup>th</sup>. I'm grateful for all the organization that's gone into our year-long celebration and those who have done the organizing. Thank you, Anniversary Committee! Job well done!

I always appreciate good organizers because organization has never been one of my top gifts. And I know the same is true for many of you. Hardly a day goes by that we don't hear someone say, "I just can't get everything done!"

It seems like, more and more, we find ourselves fraught with anxiety over the increasing demands that are being placed on us to be productive and to be everywhere. And it's not so much the demands themselves that disturb us as the increasing frequency with which we are failing to meet them. If there's one thing that modern society doesn't like, it's a disorganized, unproductive person. The world measures our worth by what we get done.

I've been trying to get myself organized for the last 30 years. At first, I had just a little freebie calendar/planner that fit comfortably in my shirt pocket. However, it wasn't big enough to write down all the earth-shatteringly important things that I think I have to do every day.

So next, I bought a pocket-sized organizer which was bigger and thicker but would still fit into my coat pocket. However, it's planner pages only went from 8 a.m. to 5 p.m. and, goodness knows, I'm way too important a man to work only nine hours a day.

After that I got an "Organizer System" that was roughly the size of a hard-cover John Grisham novel. It had enough time slots in it to span an entire day, but I couldn't keep all my information straight. I would lose notes from this meeting or that appointment. My information was spread out all over the place with no cross-referencing. I could never find what I needed.

Then I "upgraded" to an organizer that was roughly the size of Webster's Unabridged Dictionary. It came with a zipper to hold it shut and a computer program to run it!

And now, of course, I keep everything on my phone. This is a great system, but it depends on two things: putting stuff into my phone and actually checking my phone, neither of which I do with 100% accuracy.

Jesus said: "Consider the ravens: they neither sow nor reap, they have neither storehouse nor barn [nor "organizer systems"], and yet God feeds them. Of how much more value are you than the birds!" Luke 12:24

Organization has its place. It's important to be good stewards of the time and responsibilities God has entrusted to us. Being organized helps us do things well, but it doesn't determine our worth. We're valuable people, loved by God, whether we get anything done or not.

I've been in contact with a team of scientists at NASA who are designing my next organizer. It's only supposed to cost me \$12 Billion ... but hey ... if it can get me organized then it must be worth it, right? I just hope I don't lose it.

So here we come to the fundamental flaw underlying all organizer systems: an organizer is only as organized as the disorganized person using it.

I hope you get everything done that you want, but if that doesn't happen, don't worry. No matter what you get done or don't get done, you're a fantastically valuable person who is very much loved. I know because Jesus told me.

Peace,  
Pastor Russ

## COUNCIL NOTES...

### September Council Highlights:

- Continuing to gather ideas of how our Council can continue to build our vision for God's Love in Action, we look forward to building off of the ideas presented at further council meetings.
- In the aftermath of Pastor Anita's resignation, the Executive Council had been working with the NE IA Synod office to put a replacement plan in place. Based on the information collected we have decided to pursue a call for a second Pastor, who will serve on a half-time basis. We will be working with NE Iowa Synod through the process as soon as possible.
- Continued discussion on installing some type of lift system in the church. Approved moving forward with Randall Construction organizing an architect and engineer site visit to finalize an accurate cost estimate for construction of the project as it continues to be a more cost-effective option. After the final plans are developed and a complete estimate is given to us, we will make a decision on next steps with the project.
- Donated our Monthly Benevolence to Messiah Food Pantry.
- Hopefully you have marked Sunday, October 30th down on your calendar for our 150th Anniversary Celebration during and after service. The planning committee is hard at work and it promises to be a special day!
- We approved the appointment of Interim Business Manager to Karol Carpenter as the process to find a full-time replacement has begun.
- Lydia and Josh Johnson, with the help of many others, will be offering and facilitating a Youth Hour from 10:05-11:00 on Sundays on the 3rd Floor. They welcome students from 7th-12th grade for faith, fellowship, friends, food, and some service opportunities!

**Thank you and please let us know if you have any thoughts, questions, concerns, etc.**

### **Our Generosity in August**

Your offerings to St. John were shared beyond our walls in August in the following ways:

8% of our regular August offering (\$2053.82) went to support the mission of the larger church.

2% of our total offering goes to support our community needs. The August recipients were: (\$300.00) to the National Child Safety Council drug prevention education program for the schools in Floyd County, as well as (\$335.81) was sent to the Charles City Schools for teacher extra supplies need.

In addition, 8% of the quarterly thank offering will be given in October to a recipient to assist in serving our local community.

### **Wednesday Night Supper**

St. John will greatly miss Shirley Ripley who has been our Wednesday Night Supper leader & chef.

We are planning to still offer suppers. Kathy Crooks has offered to step in to provide this ministry.

## 150<sup>th</sup> Anniversary

### **Our 150<sup>th</sup> Anniversary Celebration Day is Almost Here!**

On October 9, the last of our historical displays will be in the Narthex. We will have Confirmation pictures from the past for you to look at as we celebrate Confirmation Sunday for the current class of 2022.

October 30<sup>th</sup> is the date of the anniversary celebration, if you don't have it on your calendar. The day will start at 9 a.m. with a service of celebration for our 150 years as a congregation. Many wonderful things are being planned from special music to something interesting for the kids in the children's sermon to having the Assistant to the Bishop, Liz Albertson, join us for the celebration. Melanie would like people that have sung in choir in the past to come to a rehearsal or two and sing with the choir on that day. Trinity choir meets Wednesdays at 7 p.m. in the sanctuary for rehearsal, so come make the day special by adding your voice to the choir to fill the church with voices young and "older".

The Anniversary dinner will begin at about 10:30 a.m., after church, but there are crafts to buy and people to visit with so we will be as prompt as possible. Registration for the Anniversary free dinner has begun and will end on October 16, so that we can give the caterer an accurate number. We will need to know how many kids age 5 and under are in your party when you register. There are registration slips in the bulletins or you can let Kathy know in the office up until that deadline date.

Part of the October 30<sup>th</sup> celebration is a craft fair. We are open to heritage and modern crafts as well as baked goods, jams, jellies, etc. Anything hand-made by you and safe to use or eat, qualifies. We will have a priced section and a silent auction section for our crafts/services. If you have some craft that you know would be desirable on a silent auction or a service that you can provide, we want to know. In the past people have sold quilts, snow shoveling, leaf raking, a dinner for (2,4,6,8 etc.), Christmas present wrapping, a "pie a month" for a designated time or anything else you can come up with. **We are encouraging you to bring in your craft items and silent auction items, or descriptions of such, soon, as we would like to get a list so you know what is coming. We plan on displaying the silent auction items on October 23 in the Narthex for a preview and pre-bids so we need them by October 16.**

**There will actually be 3 opportunities to pre-bid or buy:**

October 23: pre-bids on silent auction items.

October 30: crafts and silent auction at the Anniversary celebration

November 6: we will sell off any leftover crafts in the Narthex to finish the fund raiser.

One item that will be on sale on these Sundays, or for as long as they last, are 20 oz. insulated tumblers with pictures taken of two of our church's stain glass windows and of the cross above the church. They are a special project with a picture, a Bible verse and our church name and anniversary dates imprinted on them, as a commemorative item.

They will sell for \$20. If there is interest, more may be made, but just 20 are available at this time. These are being made by Janet Petefish so any inquires can be sent to [petefishj@mchsi.com](mailto:petefishj@mchsi.com)

The money from the sale of these tumblers will be used to fund the purchase of a lift for our church. A lift has been widely

acknowledged as one of those needs. The 150<sup>th</sup> Anniversary Committee, with approval of Council, is designating the money from the craft fair to the **elevator/lift account**. We would really like to have a successful fund raiser so bring in your items to sell and/or plan on finding some wonderful food, craft or service to purchase. We do not take credit cards, so plan on cash or check for the day. Donations are also welcome. Thank you in advance.

The Council is actively investigating a **lift** to the basement as a first step with inclusion of features that would coordinate with a plan for a third-floor lift in the future. Plans are being pursued with architects, builders and relevant entities that will need to be involved in the building project to get a detailed bid. Since this is an investigative stage, the craft fair will add some funds to the existing account that will give a boost to the project. There is a lot of enthusiasm for a lift that would help anyone that has trouble with steps or is physically handicapped. It would open up our basement area to more usage because of better accessibility or just to move things from one floor to the other.

Come and enjoy this Anniversary Celebration. We have 150 years of history to celebrate. Praise God for all the blessings he has visited on this congregation over those years and we pray for the same in the years to come.

**The 150th Anniversary committee** would like to do something fun and visual for October 30th. **We would like to see a sea of Red** in the congregation; even a little piece of red on your outfit. Red is the color of Reformation. Since we are celebrating on that day, how fun would it be to get a picture of all of us at the dinner with a splash of red in our outfits. Wear it proud as a Lutheran for the 150th Anniversary of our congregation and the Reformation of the entire church.

Congratulations St. John on your 150<sup>th</sup> anniversary!

Unit 219 of the Salvation Army would like to extend congratulations to St. John Evangelical Lutheran Church on the celebration of 150 years in Charles City, Iowa. This is a great milestone for you. The love and dedication to God in these walls, and the many ways that you have shown that love and dedication in our communities over the years, have had far-reaching effects we have no doubt. The support you have shown to our local Salvation Army unit, by providing us with office space, help and supplies, is just one example. We thank you and want you to know we appreciate you. Here's to the next 150 years of showing God's Love in Action!

Our **CONFIRMATION FAIR** will be **October 5, 2022**

We are inviting the congregation to come and visit with our 10<sup>th</sup> grade confirmands about their “Faith Boards” in the Parish Hall from 6-6:30pm. It will be similar in style to a science fair and is a great chance to show our confirmands that the members of the congregation care about them and about this part of their faith journey. And there will be snacks!

**10<sup>th</sup> Grade students being confirmed**, will be meeting with the pastor at **6:30pm** in the Sanctuary on **October 5<sup>th</sup>** to run through what the confirmation service will look like. We ask that each student and at least one of their parents attend this meeting.

**CONFIRMATION SUNDAY** – we will celebrate the Affirmation of Baptism on **October 9, 2022, at 9:00 a.m.**

### AFTER SCHOOL PROGRAM

**AFTER SCHOOL PROGRAM** begins on **October 5, and it's NOT too late to join us!**

**7<sup>th</sup>-12 grade** students meet on the 3<sup>rd</sup> Floor for **Youth Hour** during the Education Hour on Sunday mornings.

On **October 30<sup>th</sup>** the First and Fourth Grade St. John Sunday School students will be **receiving their Bibles** during worship, so if you have a loved one enrolled in Sunday School at St. John in one of those grades, please come and be a part of this milestone in their lives.

### FAMILY BOARD

The Family board will be hosting our 25 Cent Store on Sunday, December 5<sup>th</sup>. This is an opportunity for parents to bring children to purchase gifts for siblings, parents and grandparents. We are asking the congregation for **donations** of Christmas items, crafts, and gently used toys that might be fun gifts for children to purchase. Please bring donations to the church office.

## St. John Christian Preschool...

Fall greetings to you all from your friends at St. John Christian Preschool! We have already been in school for five weeks and we have gone from wearing shorts and tank tops to long sleeves and jackets! It is amazing to see how confident and comfortable our friends have become with their preschool routine. We have come from a few tears (from both child and parent 😊) to friends who are excited to come in and see what the preschool day will hold for them. We thank God for His constant presence in our preschool center.

The first two weeks of school were spent learning all about different animals we might see on a Safari! We learned that God made all kinds of animals, big and small, and all different colors. We also learned all the different sounds they make! We made several projects that we hung up at school so all our families could see the hard work we put into our projects. Our small motor muscles definitely got a workout those two weeks! 😊

We also studied the lifecycle of butterflies and learned some fancy new words to go with it. Our friends were also able to watch 5 larvae form chrysalides before transforming into beautiful Painted Lady butterflies. Our preschool center was fluttering with activities all based around these winged wonders. From our bulletin boards to our ribbon wristbands, we were entranced by all things BUTTERFLY.

We also started our five-week Color Unit! During this unit, we decorate the preschool in the matching colors of the week and the classes all get to dress in those colors, as well. Our younger friends are assigned a color and get to bring something of that specific color to add to our Color Bulletin Board! It's fun to see all of the creative things we get! Stop down sometime to see our colorful board and "Consider God's Wonders!"

The Preschool staff and board members wanted to remind everyone that Kwik Star gift cards are always available for purchase at the preschool. Since you need to purchase gas anyway, why not help out our ministry all at the same time? Feel free to stop by and purchase at your own convenience. Please let us know if you have any questions, and as always, thank you for your support!

Every day we sing our "Sunshine" song before we go home. It ends with the line, "May you always feel special because you are you." The teachers add in "And who made you special?" It is always exciting to hear the children shout "GOD!" How true it is! Thanks for the all of the support that you provide that enables us to provide a great educational experience within a loving, Christian environment. For many little ones, this is the only opportunity they have to hear of God's great love and see what it can do!

Blessed,  
Whittney Franke
